Inside Out Sandwich

Materials List:

- 2 plates
- knife

Ingredients:

- tomato
- bread
- mayo (optional)
- cheese

This activity should be done with the help of a trusted adult

Instructions:

**1. With the help of an adult, cut the tomato into slices like this:
Put the tomato between 2 plates and carefully slide a knife between the 2 plates away from you.**

2. Spread a little mayonnaise on each slice of bread. If you don't like mayonnaise, you can use a little butter, or nothing at all.

3. Wash and dry a couple leaves of lettuce.

4. Assemble the sandwich. Place the 2 pieces of bread together, mayo side out. Then add the lettuce, tomato, and cheese. Enjoy!

Create Scratch Art

Materials List:

- cardstock
- crayons
- paperclip or toothpick

Instructions:

1. Use light-colored crayons to cover the cardstock. You may want to make a striped or geometric pattern.

2. Cover the light-colored crayon with black crayon, filling the entire card. Darken as much as possible to create a good contrast.

3. Think about a design you'd like to create.

4. Use a toothpick or the end of a partly unfolded paper clip to scratch through the black crayon, revealing your design in the colors underneath.
